IWRBR provides equitable access to trauma responsive literacy support and social-emotional learning to children across greater Louisville. Educate & Elevate programs are free of cost at 10 sites across Louisville.

At our programs, our students participate in differentiated literacy tutoring, physical activity, mindfulness, and enrichment opportunities. We strive to make our programs an unforgettable experience for all students.

On July 22nd, at the 1st Annual Louisville Feud, 32 teams will face off with big laughs and fun in a bracket style showdown to see who will be crowned the Champion of Louisville Feud! As priorities shift at the national level, we need community investment to continue our programs with the same high-quality impact. By participating in Louisville Feud, you are providing children across Louisville access to FREE, highly impactful programming to meet their needs.
