LOUISVILLE
DOWNTOWN
PARTNERSHIP

The Louisville Downtown Partnership welcomes you to our Downtown for this fantastic holiday event at the Repurposed event space. We encourage you to explore Downtown and visit one of our many local shops, restaurants, and attractions. If you would like to host an event at Repurposed, please contact us at info@louisvilledowntown.org

WELCOME TO THE SECOND ANNUAL LIGHTS ON MAIN!

Lights On Main is all about celebrating the holiday season while promoting community and supporting a good cause. All funds raised through this event are supporting **I Would Rather Be Reading**; a nonprofit organization providing equitable access to literacy education and social emotional learning.

Each sponsored tree represents a local business that supports the mission of **I Would Rather Be Reading**, and has helped to provide funding for one of our four afterschool programs where children go to receive 1:1 reading intervention, enrichment lessons, and social-emotional support.

Enjoy the beautiful Christmas tree displays and please consider patronizing these businesses, as well as contributing to **I Would Rather Be Reading** to help this holiday season.

From **I Would Rather Be Reading** and all of our **generous sponsors**, we wish you very **Happy Holidays!**

A life well planned can offer each of us – any of us –

THE POWER TO GIVE.

The causes that inspire you are as unique as the life you lead. We all live and give differently, but the support of the right financial partner has the power to multiply generosity. It's our privilege to help people make an impact – and to make our own.

Some people think the best gifts you can give come wrapped with bows on top.

Some kids have a different idea.

We often hear stories of kids calling school when they're absent on Fridays, asking their teacher not to give away their bag of food. **Did you know that 71% of kids feel that Blessings in a Backpack is helping their family?**

For as little as \$4, **you** could be the reason a child has food to eat over the weekend. Go to louisville.blessingsinabackpack.org to learn how you can make a difference this holiday season.
